

More than ten Reasons why Loma Linda should not accept so many non-SDA students:

A: Bible Counsels:

1.* “Be ye not **unequally yoked** together with unbelievers: for what fellowship hath righteousness with unrighteousness? And what communion hath light with darkness. **Wherefore come out from among them and be ye separate . . .”** 2 Cor 6:14,17

2.* The “Schools of the Prophets” in Elijah and Elisha’s time and later were opened exclusively for Jews only, **not** for Gentiles. Why only Jews ? Why did not Elijah and Elisha be generous and broadminded and be evangelistic-minded and accept Gentile students too?

3.* In Joshua chapter 9, leader Joshua was tricked by the Gibeonites to make a league and thus God consequently forbade future leagues. “And ye shall make no league with the inhabitants of the land .” (Judges 2:2) . **Why ?**

B: Spirit of Prophecy (SOP) Counsels:

1.* LLU is originally a SDA institution founded (by the SOP through EGW) specifically with the **sole purpose or objective to train our own SDA** to be medical missionaries, **not** to train the children of the world (non-SDA who are not of our faith) . Our **first duty** is to train SDA students, not outsiders. (see “[Broken Blueprint](#)”p152-3)

2.* “Now and ever we are **to stand as a distinct and peculiar people**, free from all **worldly policy**, unembarrassed by confederating with those who have not wisdom to discern God’s claims so plainly set forth in His law. **All our medical institutions are established as Seventh-day Adventist institutions, to represent the various features of gospel medical missionary work**, and thus to prepare the way for the coming of the Lord” (Testimonies, Vol. 7, p. 106-8). **How can unbelieving, unconverted outsiders (non-SDA students) “represent” our “gospel medical missionary work” ???** (Emphasis supplied)

3.* Is it embarrassing to be labeled as “**sectarian**” if we, LLU, accept only (or mostly) SDA students? “**Worldly policy**”(please read this word in previous para or in 7T106) wants us to be **non-sectarians**, i.e,---“be liberal and multi-cultured and broad-minded and thus LLU must accept any student regardless of faith,” but “**God’s policy**” is: Don’t worry if we SDA are called “sectarians” or “cult” or whatever derogatory name, we must still as a

group of loyal SDA take a stand for God 's policy-- not to be “unequally yoked”.

“**Sectarian**” is not necessarily a bad, negative word. There is nothing wrong to be sectarian. It is not illegal. A **sect** can be defined **positively as an individualistic group that dares to be different to take a stand on principles**. Can I say this ? “Heaven is sectarian for saints of the sect called “The Remnant Church” (following faithfully God’s policy and obeying all ten commandments) can enter heaven ” Can I say this? “Heaven is **exclusive** because sinners and gays cannot enter it; only saints are allowed” (1Cor 6:9). Thus, **God’s policy** can be **exclusive or sectarian** in certain matters of principles like—“**BE NOT UNEQUALLY YOKED”**.. Obeying God’s policy means we must be selective (our constitutional right) and exclusive in **not accepting** any or too many non-SDA students. Fear not what men may label you; but only fear what God labels you.

4.* The law may compel LLU to admit non-SDA students but it maybe because we are **guilty** of allowing it to happen for we are not “free from all worldly policy”. 7T 106.4 We accept aid and money from Ceasar, accept accreditation, and change our status from college to university. All these have restrictive conditions or strings attached that make us disobey Bible and SOP counsels.(Read “Broken Blueprint”) Moreover, we do not have the courage or loyalty to God “to stand as a distinct and peculiar people”. (7T106). How can Loma Linda U. have

or be a distinct and peculiar people when she accepts outsiders (non-SDA) or the “mixed multitude” or students of the world who do not agree with us?

5.* Today we are in a terrible mess (in great apostasy)- - our hospitals in unsolvable financial troubles making us to merge with Catholics or Rome, the “beast” of Rev 13 and the “whore” of Rev 17. **WHY ? Because we did not follow the Blueprint of God.** God’s original plan is for us to have simple, small sanitarium-hospitals using natural remedies away from cities. God never intended for us to have modern acute care hospitals which are expensive and competitive using expensive equipments and tests and dangerous drugs and horrible chemo-therapy and over emphasis in costly surgery and unnecessary costly diagnostic tests for fear of lawsuits. and over use of harmful Xrays and expensive CT scan. (Today medical care is very expensive and not free; patients have to pay directly or indirectly in the end and for many they go into debts or bankruptcy.) (Solution: see [Reformation](#))

6.* “To bind ourselves up by contracts with those (non-SDA students) not of our faith is not in the order of God. We are to treat with kindness and courtesy those who refuse to be loyal to God, but we are **never, never to unite with them (7T, pg.107) Emphasis supplied**

7.* The Greatest Apostasy in SDA education in mission fields (outside USA) is_over-emphasizing_Mission Schools to the detriment or neglect of Church Schools**. (Definition: **Mission schools** are opened mainly to evangelize non-SDA kids in a new mission field. **Church schools** are opened mainly for SDA kids to protect our kids from the world.) Following the counsels of EGW, we unintentionally became the **largest** and once the **best** Protestant educational system in the world. We run Church schools and academies, colleges universities for our SDA children and students so that SDA students do not have to mix with students of the world or “unequally yoked” in public schools. (CG 304-5).

When we entered new foreign mission fields, initially we had no SDA Church Schools, so we opened Mission Schools to evangelize the heathens or non-SDA and then eventually accepted the new converts' children but then we forgot our **top priority** or our **first duty** which is, according to the counsels of the SOP, to open Church Schools when we had **6** SDA children from the new converts. We forgot to change SDA Mission Schools back to Church Schools once we had 6 children. We got stuck with Mission schools which is not our priority or duty even though it is very profitable.) Mission Schools though essential at first as an evangelistic tool is not our top continuous priority; our top priority is to open Church schools to train SDA children (not Mission schools to train non-SDA kids !!!).

“In some countries ... where there is a church, schools should be established, if there are no more than **six children** to attend.

Work as if you were working for your life to **save the children from being drowned in the polluting, corrupting influences of the world.** “ EGW--CG pg. 308.3

8.* LLU is also supported by the SDA Church's World Budget (offerings from SDA church members around the world) and I am sure these SDA members would be shocked to know that their sacrificial donations are supporting and training **non-SDA** medical, dental and nursing students, etc. to become **non-SDA** doctors, dentists and nurses for the world (the kingdom of Satan).

9.* The purpose why LLU was instituted was to turn out **SDA** doctors, dentists, nurses, and allied professionals to become **SDA** medical evangelists or **SDA** medical missionaries. Up till **1961**, LLU used to be called the “**College of Medical Evangelists**”(CME). **How have the mighty fallen !** How have the mighty changed or forgotten our original noble goal which is the very reason for the founding or existence of LLU !!! The mighty LLU changed from turning out **missionary-minded** medical evangelists to turning out just **professional-minded** medical graduates of doctors, dentists, nurses, etc. !!! Changing from **Jesus' method** of healing of body and soul to the **world's method** of healing the body only and worshiping the gods of science as a solution—surgery (over emphasized), drugs and chemo-therapy with dangerous side-

effects, harmful X-ray and CT scan and expensive modern technology (proton therapy).

10. * “**We are never to confederate with men of the world in order to receive financial assistance.**” Testimonies vol. 9, p.233. (Men of the world are the government or Aid agencies or donors with strings attached) Is LLU now accepting grant money or Federal Aid money with restrictive or anti-gospel-sharing conditions like a ban on talking about religion, e.g. ADRA receives millions from the Aid agency of Canada but can’t talk about Jesus to the poor or needy!!! This negates the purpose of the existence of ADRA. Is Loma Linda U. in the same boat of apostasy today ?. (Emphasis added)

11. * “**We are to enter into no confederacy** (accept non-SDA students) with those who do not love or fear God. Those who have not the light of present truth.” Counsels on Health p.300

12. * The Bible and SOP counsel us not to marry outsiders (non-SDA). **Why?** Why did Abraham have to send his servant to travel hundreds of miles back to his hometown to find a SDA wife for Issac ? **Why** are SDA parents willing to pay and sacrifice in order to send their children to SDA **church schools** instead of going to **free** public schools ? CG p303-311 **Why?** Fear of “unequally yoked” ? **Now what great apostasy is this**, i.e. admitting **Babylon** (non-SDA students) with open arms into Loma Linda to mix and **influence negatively** our SDA students? We are warned to “come out” of Babylon for “Babylon is fallen” but LLU is bringing Babylon into our campus !!! Rev 14: 8; Rev 18:4

13. “**In a special sense** Seventh-day Adventists have been set in the world as **watchmen** and **light-bearers**. To them has been entrusted the last warning for a perishing world. On them is shining wonderful light from the Word of God. They have been given a work of the most solemn import,—the proclamation of the first, second, and third angels’ messages. There is no other work of so great importance. **They are to allow nothing else to absorb their attention.** “ **LDE 45 Ev 119**

13 * PS Sorry, unable to obtain recent data update of the ratio of **SDA vs Non-SDA students at LLU** due to secrecy and non-transparency or simply a conspiracy to hide embarrassing info from SDA church members. (Anyone who knows this “top security national secret”, please have the courage to blow the whistle for the truth (Freedom of Information Act says it is not wrong to divulge truth). So please send or leak info to me. I promise not to tell.)
